

God is radically generous. He saves us from our selfishness and greed at the cost of the death of his Son; and by Jesus' resurrection frees us to live a new life of love and generosity.

But what does that generous life look like?

Read through Philippians 2:1-8

What principle for generous Christian living does Paul explain in this passage (especially in v3-4)?

How is this principle connected to the 'generosity' that Jesus showed?

Read through Galatians 5:13-15

What insight in the video struck you most? Why?

Think of a time when you were able to show generosity to someone else. In what ways were you blessed by that opportunity to be generous? Where have you seen the truth of Jesus' teaching that "it is more blessed to give than to receive" (Acts 20:35)?

Watch the **second half** of the video

What struck you most? Why?

What opportunities do we have to be generous in some way; to put others forward or lift them up, including sharing the life giving message of Jesus?
